Spring Newsletter 2024

Remarks from Sidney McGinnis - Camp Board Chairman

Ready...Set...GROW! Happy New Year! Christian Harbor is getting ready for another exciting year of camp in 2024! There are many exciting projects and activities that are in the works and already in process as we prepare for another year in striving to fulfil our mission: "To provide a camping experience where campers are drawn into a growing relationship with Jesus Christ." As we look forward to another year, we are set up for success with the tremendous work of so many people. I want to take a moment to point out just a few.

Maria Stone, our camp manager, has several projects that are in the works, near completion, and on the horizon. But above all the great work that she has done to keep our campus ready for every week of camp, I really want to take a moment to acknowledge her heart of service. If you've been to a week of camp since Maria has taken over as manager – you know that more than anything, she is there to serve. To serve the deans and help facilitate the best camp experience for every camper. To serve her staff in setting an example of what a true servant leader looks like, and above all to serve her Lord and Savior by giving of herself in sacrifice to Christian Harbor Youth Camp.

Tim Stone, our camp Program Director for the past several years, is always looking to make every year better by working with our deans, helping recruit new deans and codeans, assisting in reaching out to find quality godly men and women to come along side our deans as faculty to help support each week's program.

How Can I Get Involved?

Volunteers

One of the biggest needs Christian Harbor has is finding cabin parents for our youth weeks. Cabin parents act as family leaders, and are there to support the campers in the daily activities, and help guide them in their walk with Christ. Cabin parents fill a crucial role for each youth camp week. If you are interested in being a cabin parent, please contact Tim Stone or the corresponding camp dean.

Financial Partners

Through your generous financial support, Christian Harbor Youth Camp is able to run weeks of camp at a fraction of the cost for each individual camper. Through donations, we are also able to complete projects for expansion to keep up with our growing camp! Thank you so much for your financial donations, your impact has made a difference in the lives of the campers at Christian Harbor Youth Camp!

Prayer Partners

Partner with us in prayer for the upcoming camp season!
Pray for the campers, the faculty & staff this season.
CHYC's continued ministry operates under God's grace
and your continued prayer support.

Work Weekend

Work Weekend is a prime opportunity to put your skills and talents to work! The weekend is filled with many projects and activities that will prepare the camp for the upcoming camping season. This year's work weekend is June 7 - 9. We are also looking for groups of people who are interested in special projects. Please contact Maria Stone

@christianharbor@gmail.com if you are interested in helping!

CHYC Promotions Team

The CHYC Promotions Team would love to connect with you! We coordinate with churches to present about CHYC. If your church is interested in having a presentation, or wants more details, please contact us! We can be reached @promotions@chyconline.org.

CHYC Promotions Team Danny & Heike O'Day Kayla Ashley Over the past 3-4 years, Tim has worked diligently to secure our deans almost a year in advance. I want to thank Tim for this many times "thankless role" in his passion for our camp and serving in the capacity of Program Director for Christian Harbor.

Finally, Kayla Ashley. Kayla has a passion for using her gifts and talents, and a willingness to take on new and sometimes challenging roles. Kayla serves as part of our Promotions Team, specifically in our technology efforts to keep campers, supporters, and churches informed through several media outlets such as our website, Facebook, email blasts, and newsletters. Most recently she has taken on assisting the camp registration process utilizing Planning Center to better facilitate our check-in process, registration, and maintain an accurate, up-to-date database of all our campers and faculty. Thank you Kayla for helping make CHYC relevant 24/7 – 365, and helping us become more efficient in our efforts to fulfil our mission.

These are just a few examples of the passionate people I get to serve with as part of Christian Harbor. There are so many others. All these people, and all of you who prayerfully, financially, and sacrificially support our camp with your gifts, time, talents, and love really make us "Ready" to reach our youth for Christ. "Set" us up for success and prepared to serve and prepare us to reach our youth to "GROW" in Christ. It is an honor to serve in God's Kingdom with each of you at Christian Harbor Youth Camp!

Remarks from Maria Stone - Camp Manager

Hello Friends of Christian Harbor Youth Camp!

The mission of CHYC is our guide as we prepare for another camping season which will be here very soon!

In preparation for the 2024 camping season, I am working on building the team of individuals who will serve behind the scenes in the many important roles at camp.

We are working on plans and a schedule to refresh the kitchen and dishwashing room. We are very excited to use the new walk-in cooler/freezer unit that was completed after the 2023 camp season. Plans to expand the lodge on the north end continue to evolve as we strive to anticipate growth and space needs in the future!

Camp would not be possible without your continued love and prayers. Please join us in prayer asking God for protection, strength, and wisdom as we continue the mission of Christian Harbor Youth Camp in 2024!

I look forward to seeing you this summer at camp!

Maria Stone, Camp Manager

Family Camp

July 3 (3PM) - July 7 (10AM)

The theme for Family Camp is "Now What!?" As we live our Christian lives, we have many opportunities to be excited to see what the Lord has for us next. We wait in eager anticipation to see His hand at work and how He may include us in His good work. There are also times of wonder, uncertainty, exhaustion, and doubt. We contemplate if God is really asking us to do the impossible, messy, or ugly.

Come join us as we discover "What's next" in our Christian walk as families. Family camp is such an amazing time of connecting families and growing spiritually. There will be age-specific classes the mornings of July 4-6. Chapel will be at 7pm July 4-6 and at 9AM on July 7th.

There are so many opportunities for families to reconnect as individual families as well as reconnect with the Family of God! With the additional room in the cabins, there is more space to accommodate additional families. Register today and I look forward to seeing you at Family Camp in July!

Tim Stone, Family Camp Dean

Testimony from Chet Cooper

"How has CHYC impacted my life? I grew up there in many ways. I was a local boy from the Sheldon/Conrath area. My grandfather, uncle, father and many other relatives worked to help build it. Our church always supported it financially and with projects as well as being deans, staff and volunteers. I went to camp as a youth every year I could. I have been to weddings, receptions, birthday parties, anniversaries and family reunions at camp. I met lifelong friends at CHYC. I met my future wife at camp as well. I may have more fond memories of camp than anywhere else in the world. It is a place that I have shared with my children, and I hope some day with my grandchildren. It has natural beauty and sweet peace that welcomes you and makes It home. It's campfire songs still play in my mind. Most importantly is a place of God. A place where the spirit calls to the ears of those who enter. I was thankfully raised by a family of faith and attended church my whole life. But camp is where I first called out to Jesus - where I truly felt the power of His love and acceptance. A place where faith was all week long; evident in every activity and shining brightly in men and women who loved their lord and loved all his children. Even the hard ones to love. It is a place where I learned how big the "church" really is and how that faith family is a gift from God. I have witnessed more baptisms and people giving their lives to God at CHYC than any other place. It have been blessed to facilitate some of those. It is truly aptly named. "Christian Harbor." For it is truly a place of harbor in the storms of life for so many children and adults as well. But not only a place a shelter, but also a place where a multitude of lives have set sail in faith in service to our Lord Jesus Christ. How has CHYC impacted my life? Blessing beyond measure. It has been my Harbor and where I met the captain of my soul."

Testimony from Dale McGinnis

"What does Christian Harbor mean to me? I don't know exactly what Heaven will be like, but to me Christian Harbor is a lot like Heaven. When I get there, time and dates mean nothing to me. World news, weather, TV and radio don't seem important when I am there. The joy of being with other brothers and sisters in Christ are high on my list. I mainly go to camp for the children who don't know about Jesus, and the love Christ has for them and the love Christ has for me. I want to pass that love of Christ to others. It has always been an honor and privilege to be able to teach children about our Lord and Savior Jesus Christ. I also like to hear what the kids have to say about who Jesus is, and how He fits into their lives. I like to be able to teach on the pontoon boat and to see the bald eagles each year. I am grateful that all my children were able to attend camp each year, and got see my grandchildren attend as well. I am very grateful for the vision the men had 60 years ago to create this camp along this body of water, the place I believe God had chose for His Glory to be revealed. Camp makes me feel like a kid myself and the fun I have there is tremendous. If I have any talents I know my God gave them to me, and He gets all the Glory. When I was working, my vacations were spent each summer at camp. Now that I am retired I get to spend more time at camp. Last summer my wife and I got the opportunity to do some cooking for the camp, another opportunity to praise God and show the Love of God to all. In closing, I would highly recommend getting involved at camp. Thank you for allowing my wife and I to serve God in this way, and with God's blessings be able to be at camp for many more years."

Brother in Christ, Dale McGinnis

Testimonies from Campers

"I've been coming to CHYC for many years and it's always been a highlight of my summer. Each year I've come, I have experienced a time of deep connection with God that challenges me to keep intentionally growing closer to Him outside of camp. I always feel rejuvenated and Spirit lead during my time there which pushes me to go deeper in my relationship with Christ. I'm so grateful for the time I've spent at camp over the years and the opportunities I've taken to volunteer and bless other people with the same experience I was given!"

Hannah Crick

"Camp has provided me with a place where I can feel the peace and presence of God. I've never felt more connected to Him than when I am at CHYC, surrounded by other believers. In addition, camp has provided me with my best friends. Friends who put God first and truly care about you as a person as well. It's full of selfless people who all love Jesus. Christian Harbor Youth Camp has been a miracle for me and for others."

Mitchell McGinnis

"Christian Harbor Youth Camp changed my life. I wasn't raised in a Christian family, and I wasn't taught about Jesus growing up. Camp gave me the knowledge that I needed to live as a Christ-follower and the family to support me in my walk. I've learned so much about how to live as a Christian and so many people I met have made such big impacts in my life. Last summer I was baptized at camp and it was the most amazing thing that's happened in my life. I can't even imagine what my life would be like if I'd never been to CHYC."

Highlights from 2023

We'll connect with new and old friends and your spiritual life will be reignited. Camp is a high energy and life transforming experience, where you'll get recharged. We have an amazing faculty to serve at camp this year. We are going to dive deep into God's Word in the mornings and in the afternoon and evenings have a blast with recreation, swimming, and an amazing special activity each night. Also, in chapel we'll worship, laugh, and learn together with Tim Stone being our main speaker.

If you are or have a student entering grades 8th or 9th in the fall of 2024, we invite you to join us July 14th-20th for A.I. Discovering Your Authentic Identity!

Note: The image above was made using artificial intelligence

8th & 9th Grade

Who am I? This may be one of the most difficult, profound, and enlightening questions we can ask ourselves. Our identity determines a lot of our life choices, friends we have, activities we participate in, our hobbies, and even the way we walk and talk.

Who do I sit with at lunch? Who should I invite over for the birthday party? Should I hang out with them after school? These are all questions rooted in identity.

This year at Christian Harbor Youth Camp Grades 8th & 9th are going to **Discover our Authentic Identity.** Campers will walk away realizing they are known, loved, and valued by God. We will talk about what it means to be in Christ and how that transforms our everyday life.

The Bible reveals the following: "O LORD, you have examined my heart and know everything about me." Psalm 139:1

So this summer we are going to discover together what God's Word says about our authentic identity and we will have a blast doing it!
